

VDS Shrimp Forte 5%

complete concentrate for marine shrimp

Product

VDS Shrimp Forte 5% is a complete concentrate for marine shrimp like *P.monodon*, *P.vannamei* and *P.indicus*. All necessary vitamins and trace minerals are included. A cocktail of attractants, stress reducers, osmoregulators and growth promoters completes this concentrate. Vitamins are supplied in a stable form to prevent losses due to water leaching or during the production process. Combined with fresh and highly digestible raw materials this concentrate forms the nutritional basis for an optimal shrimp feed. VDS will supply you with custom made formulas based on the VDS Shrimp Forte 5% and can assist you in selecting the best raw materials for a well balanced shrimp feed.

Focus

Quick feed uptake.
Stress reduction.
Osmoregulation.

Inclusion rate

Add 5% to the shrimp feed mix.

Upon request

We can provide a "tailor made" concentrate adjusted to the local culture conditions.
We can design a concentrate for other inclusion rates.
Just contact us for more information.
